COMMENT

Our Second Year of Publication

¶ With this issue the "DIARY OF MUSICAL EVENTS" enters into its second year of existence—a full-fledged working institution of Winnipeg Musical Circles.

¶ It is with genuine pleasure, and not a little pride, that we look back over the past year's activities, and realize that the idea conceived in June last year has grown to such an extent—and is still growing—thanks to the help and co-operation of the Music Lovers of Winnipeg.

¶ When we started the "DIARY OF MUSICAL EVENTS" we did so with the realization that there existed a genuine need for a publication that would act as a medium for the systematic distribution of authentic information pertaining to Musical Events, Musical Clubs, Societies, etc., etc., and it is gratifying to know that it has not only done this, but has acted as a clearing house for musical happenings and has thus prevented the unfortunate clashing of events once so frequent.

¶ In concluding we take the opportunity to extend our heartiest thanks to the Music Lovers of Winnipeg who have given their staunch support and made it possible to supply this worthwhile practical service to all interested in music.

"Music is one of the greatest powers that make for good.

"It has power to uplift and inspire.

"It can console, cheer and uplift mankind.

"It can sweeten and beautify life.

"It brings romance into a humdrum and work-a-day world.

"Why then delay in bringing this great influence into your life?"

GOLDING'S**GETTING BY GIVING****BETTER SERVICE IN MUSIC**

¶ It is one of the established truths of today—to make a business grow BIG one must make it give MOST.

¶ The Music Dealer who fixes his eye on the money profit and considers nothing else, finds sooner or later that there isn't much profit to see.

¶ On the other hand the dealer who like GOLDING'S makes a practice of giving unusual service, who figures a close margin of profit in the interest of music-lovers of the community, always makes the most profit in the long run.

¶ It's a rule of life—the man who gives most gets most. This rule is applied to our business; and we are proving it every day.

You want the BEST SERVICE IN MUSIC—
GOLDING'S give nothing else.

COMMENTS

Your Musical Directory is of great value to new-comers, students, concert-goers and managers; and I am glad to see it an annual publication. Congratulations on your initiative.

—EVA CLARE, 720 Broadway.

You deserve every success in your bold undertaking to cater efficiently to the many needs of the musical community of Winnipeg; and you are to be complimented upon your extensive stock of everything which can be reasonably carried, especially the works which, prior to your opening, were most difficult to obtain. This coupled with a most intelligent and courteous service, deserves every commendation.

—MR. and MRS. JOHN WATERHOUSE, 53 Furby.

COMMENTS

Your extensive and modern stock of songs fills a long-felt want in the City of Winnipeg, for which I am very grateful.—JOHN DANN, 424 Edmonton St.

Golding's "Music Year Book" reflects the keen insight and knowledge of the intimate wants of the Musical Profession—always demonstrated by your exceptionally efficient service. You are to be congratulated.—PHILIP SHADWICK.

Golding's Musical Year Book, like the store it comes from, fills a need. This guarantees its success.—W. H. ANDERSON, Music and Arts Building.

I feel sure that in dealing with you I shall have entire satisfaction as I have always had in the past. Knowing the very fine stock which you are carrying this year I am sure we have no Music House in Western Canada to equal yours.
